

12-60-301. Racing commission – creation.

(1) There is hereby created, within the division of racing events, the Colorado racing commission. The commission shall consist of five members, all of whom shall be citizens of the United States and shall have been residents of this state for the past five years. The members shall be appointed by the governor, with the consent and approval of the senate. No member shall have been convicted of a felony or gambling-related offense, notwithstanding the provisions of section [24-5-101](#), C.R.S. No more than three of the five members shall be members of the same political party. At the first meeting of each fiscal year, a chair and vice-chair of the commission shall be chosen from the membership by a majority of the members. Membership and operation of the commission shall additionally meet the following requirements:

(a) Two members of the commission shall have been previously engaged in the racing industry for at least five years; one member shall be a practicing veterinarian who is currently licensed in Colorado and has been so licensed for not less than five years; one member shall have been engaged in business in a management-level capacity for at least five years; and one member shall be a registered elector of the state who is not employed in any profession or industry otherwise described in this paragraph (a); however, no more than two members of the commission shall be from the same congressional district, and one member of the commission shall be from west of the continental divide.

(b) Initial members shall be appointed to the commission by the governor as follows: One member to serve until July 1, 1993, one member to serve until July 1, 1994, one member to serve until July 1, 1995, and two members to serve until July 1, 1996. All subsequent appointments shall be for terms of four years. No member of the commission shall be eligible to serve more than two consecutive terms.

(c) Any vacancy on the commission shall be filled for the unexpired term in the same manner as the original appointment. The member appointed to fill such vacancy shall be from the same category described in paragraph (a) of this subsection (1) as the member vacating the position.

(d) Any member of the commission may be removed by the governor at any time.

(e) The term of any member of the commission who misses more than two consecutive regular commission meetings without good cause shall be terminated and such member's successor shall be appointed in the manner provided for appointments under this section.

(f) Commission members shall be reimbursed for necessary travel and other reasonable expenses incurred in the performance of their official duties.

(g) Prior to confirmation by the senate, each member shall file with the secretary of state a financial disclosure statement in the form required and prescribed by the executive director. Such statement shall be renewed as of each January 1 during the member's term of office.

(h) The commission shall hold at least one meeting each month and such additional meetings as may be prescribed by rules of the commission. In addition, special meetings may be called by the chair, any two commission members, or the director, if written notification of such meeting is delivered to each member at least seventy-two hours prior to such meeting. Notwithstanding the provisions of section [24-6-402](#), C.R.S., in emergency situations in which a majority of the commission certifies that exigencies of time require that the commission meet without delay, the requirements of public notice and of seventy-two hours' actual advance written notice to members may be dispensed with, and commission members as well as the public shall receive such notice as is reasonable under the circumstances. Any action by the commission during such emergency meetings shall be limited to those issues relating to the emergency situation for which the meeting was called.

(i) A majority of the commission shall constitute a quorum, but the concurrence of a majority of the members appointed to the commission shall be required for any final determination by the commission.
